Work is on programme and due for completion in 2015

Work is progressing well on site and here's some of the work that has been done during the **last three months**:

- ✓ Completion of waste bunker walls
- ✓ Commence underground service ducts / ducting
- ✓ Commence work on Administration Block foundations
- ✓ Piling work to Flue Gas Treatment, Turbine, Water Treatment areas
- ✓ Re-location of Electrical Sub-station

Work due to commence during the **next three months** is as follows:

- Commence Administration Block steelwork
- Arrival and assembly of Boiler Panels
- Arrival and assembly of Waste Bunker steelwork
- Construction of Switch Room
- Completion of Turbine Hall

Supporting **local** business

It is very important to both Veolia and CNIM Clugston that we work with local businesses.

Feeding a hungry team of construction workers is just as important as carrying out the construction work.

This important job is being done by **Donna Lindsay**, a local caterer from Shrewsbury. Donna has set up catering facilities on site where her bacon butties are going down a storm.

Donna said:

“Working with CNIM Clugston to set this venture up has been a good experience. To be part of a project like this is exciting. Things are going well and I hope that this is just the start of the expansion of my catering business in Shrewsbury.”

A total of 175,000 hours without any Lost Time Incidents.

Linked to no Lost Time Incidents on site Veolia and CNIM Clugston are working together to make a difference to the local community by making **donations to local charities.**

Together with the Community Liaison Group this project is being developed and an announcement will be made in the New Year.

**Green Arena have supplied signage to site.
Richard Lawley from Green Arena said:**

“I am so glad that we took to the time to visit the Meet the Buyer event back in February. The management team on site are helpful, approachable, and great to work with. The site is run in a very professional manner and the whole experience of working with CNIM Clugston has been extremely positive.”
